

14th Asia Pacific Travel Health Conference

18-21 September, 2024
Kathmandu, Nepal

Jonathan Cohen

Dr Jonathan Cohen (MBBS, FACTM, FISTM, FRACGP, MastFamMed) is the Medical Director of Travel Clinics Australia, a national association of over 40 general practice-based travel clinics.

He gained his Certificate of Travel Health at the inaugural 2003 exam, is a Fellow of the Australasian College of Tropical Medicine and Fellow of the International Society of Travel Medicine.

He is well known as a regular presenter on travel health issues throughout Australia and author of numerous articles as well as the popular “Traveller’s Pocket Medical Guide and International Certificate of Vaccination”, now in its 27th year and 12th edition.
