

Dr **Sarah McGuinness** is an academic infectious diseases physician with a special interest in travel medicine. She leads the Travel Medicine service at The Alfred Hospital in Melbourne and is a Senior Research Fellow at Monash University. Sarah is an Associate Editor of the *Journal of Travel Medicine* and chairs the Digital Communications Committee of the International Society of Travel Medicine. A frequent invited speaker at conferences and other professional events, she also co-facilitates an annual Travel Medicine Masterclass for GPs. Her research centres on infectious diseases epidemiology and prevention, with a focus on improving ways to prevent infections in travellers and other at-risk populations. She has published over 50 research papers and book chapters.
